

# Case Studies and Clients

## How did we make Reuse simple?

-  • **Order** - Aarti Industries placed an order with us for their cleaning essentials
-  • **Used Cans** - We only use refurbished and reused cans
-  • **Training** - Each admin employee is trained
-  • **Transparency** - We can track each can through QR Codes
-  • **Reverse Collection** - All cans will be collected and taken back for sanitation and refilling purposes.
-  • **Dashboard** - A customised dashboard which shows cost saving and impact generated till date
